* If XXX appears in this column, this state does not require this filing, if hard copy is filed with the state of domicile and the NAIC and if the data is filed electronically with the NAIC. If N/A appears in this column, the filing is required with the domiciliary state.

** If NAIC is shown as Form Source, the form should be obtained from the appropriate vendor.

**General Instructions
For Companies to Use Checklist**

Please Note: This state's instructions for companies to file with the NAIC are included in this Checklist. The NAIC will send mailing labels and other information to all companies but will not be sending their own checklist.

Electronic filing is intended to include filing via the Internet or via diskette with the NAIC. Companies that file with the NAIC via the Internet are not required to submit diskettes to the NAIC.

Column (1) (Checklist)—Companies may use the checklist to submit to a state, if the state requests it. Companies should copy the checklist and place an "x" in this column when mailing information to the state.

Column (2) (Line #)—Line # refers to a standard filing number used for easy reference. This line number may change from year to year.

Column (3) (Required Filings)—Name of item or form to be filed.

The **Annual Statement Electronic Filing** includes the annual statement data and all supplements due March 1, per the *Annual Statement Instructions*. This includes all detail investment schedules and other supplements for which the *Annual Statement Instructions* exempt printed detail.

The **March .PDF Filing** is the .pdf file for annual statement data, detail for investment schedules, Officers and Directors Information and supplements due March 1.

The **Risk-Based Capital Electronic Filing** includes all risk-based capital data.

The **Supplemental Electronic Filing** includes all supplements due April 1, per the *Annual Statement Instructions*.

The **Supplemental .PDF Filing** is the .pdf file for all supplemental schedules and exhibits due April 1.

The **Quarterly Electronic Filing** includes the complete quarterly filing and the PDF files for all quarterly data.

The **Quarterly .PDF Filing** is the .pdf file for quarterly statement data.

The **June .PDF Filing** is the .pdf file for the Audited Financial Statements.

Column (4) (Number of Copies)—Indicates the number of copies that each foreign or domestic company is required to file for each type of form. The Blanks (E) Task Force modified the 1999 *Annual Statement Instructions* to waive paper filings of certain NAIC supplements and certain investment schedule detail, if such investment schedule data is available to the states via the NAIC database. The checklists reflect this action taken by the Blanks (E) Task Force. XXX appears in the "Number of Copies" "Foreign" column for the appropriate schedules and exhibits.

Column (5) (Due Date)—Indicates the date on which the company must file the form.

Column (6) (Form Source)—This column contains one of three words: "NAIC," "State," or "Company." If this column contains "NAIC," the company must obtain the forms from the appropriate vendor. If this column contains "State," the state will provide the forms with the filing instructions (generally, on the state web site). If this column contains "Company," the company, or its representative (e.g., its CPA firm), is expected to provide the form based upon the appropriate state instructions or the NAIC *Annual Statement Instructions*.

Column (7) (Applicable Notes)—This column contains references to the Notes to the Instructions that apply to each item listed on the checklist. The company should carefully read these notes before submitting a filing.

TO: ALL INSURERS

SUBJECT: 2001 ANNUAL STATEMENT INSTRUCTIONS

Attached please find the "Required Filings in the State of Wisconsin" checklist. Please return a copy of this form as a checklist when making required filings.

Each licensed insurer shall file its annual financial statement on the NAIC Annual Statement blank appropriate for the lines of business it is licensed to write: Fire and Casualty, Life and Accident and Health, Fraternal Orders, Title Insurance, Health Insurance (including Health Maintenance Organization, Hospital, Medical, and Dental Service or Indemnity Corporations, Limited Health Service Organizations). Each company shall comply with the applicable NAIC Annual Statement Instructions, and shall comply with accounting practices prescribed or permitted by the NAIC Accounting Practices and Procedures Manual, unless otherwise required or permitted by the Wisconsin Statutes and Administrative Code, or as ordered or instructed by the Commissioner. NAIC Annual Statement Instructions are available in loose-leaf form with update service from NAIC, P. O. Box 263, Dept. 42, Kansas City, MO 64193-0042.

PURSUANT TO s. Ins 50.25, Wis. Adm. Code, all Fire and Casualty, Life, Accident and Health, Fraternal, Health Maintenance Organizations, and Hospital, Medical and Dental Service or Indemnity (HMDI) insurers will be required to file their 2001 financial statement information electronically with the NAIC on or before March 1, 2002. All quarterly statements should also be filed electronically with the NAIC within 45 days of the end of each quarter. Failure to file will result in forfeiture. This is in addition to the filing of the same statement in printed form with the NAIC.

A check payable to the Commissioner of Insurance for taxes and fees, along with **payment form, must** be sent to Drawer Number 566, Milwaukee, WI 53293-0566, on or before March 1, 2002. All other filings should be submitted to the Office of the Commissioner of Insurance in Madison, Wisconsin. Failure to comply may result in forfeiture pursuant to s. 601.64, Wis. Stat.

NOTES TO FINANCIAL STATEMENTS

The completion of Notes to Financial Statements is required in the annual statement blanks. See the instructions for completing the blanks for the required information and format.

SUPPLEMENTAL EXHIBITS AND SCHEDULES—INTERROGATORIES

These interrogatories must be completed accurately and completely by all insurers. Complete the Supplemental Exhibits and Schedules Interrogatories of the annual statement, which indicates the required NAIC supplemental forms to be filed and dates due.

VALUATIONS OF SECURITIES

Insurers licensed in Wisconsin are required to file acquisitions with the NAIC Securities Valuation Office as specified in the NAIC Annual Statement instructions. Attention is directed to Section 5 and Section 8 of the NAIC Valuations of Securities manual which relate to the general instructions for submission of information to the subcommittee on the valuation of securities.

MORTGAGE LOANS

Insurers shall comply with SSAP 37 of the NAIC Accounting Practices and Procedures Manual regarding past due interest on mortgage loans.

CREDIT FOR REINSURANCE—CHAPTERS INS 52 and 55, WIS. ADM. CODE

For purposes of the annual statement filed with the state of Wisconsin, all licensed insurers must comply with the statutory standards for admissibility of reinsurance ceded to unlicensed reinsurers. Chapter Ins 52, Wis. Adm. Code, applies to reinsurance ceded under agreements entered into, or renewed, on or after August 1, 1993. In addition, in order that credit may be taken for reinsurance, each reinsurance contract must constitute an undertaking by the reinsurer to indemnify the ceding insurer, not only in form but in fact, against loss or liability by reason of the original insurance. Any life reinsurance contract which meets one or more of the terms of s. Ins 55.02, Wis. Adm. Code, would not result in a valid exchange of risk, and the ceding company may not take credit for such reinsurance without the specific approval of this office. All insurers are reminded that any reinsurance not in the normal and usual course of business shall be reported to this office not less than 30 days in advance of the proposed effective date, pursuant to s. 611.78, Wis. Stat., and is subject to disapproval.

LIABILITIES

Appropriate liabilities must be established in the annual statement for contractual obligations extending beyond December 31 of the statement year, including those under employment contracts.

PREMIUM TAXES AND FEES

Please take note, there is now a new quarterly and year-end premium tax payment form (replaces the preprinted vouchers) located on the OCI Web site at <http://badger.state.wi.us/agencies/oci/ociforms.htm>.

This same form is to be used by companies that pay fees only.

If a company has an overpayment or zero payment due, no filing is required to be submitted.

Year-end and quarterly payments are to be mailed to Drawer #566, Milwaukee, WI 53293-0566 **NOT** to the Madison address. Failure to comply may result in forfeiture, pursuant to s. 601.64, Wis. Stat.

REPORTS TO POLICYHOLDERS OR STOCKHOLDERS

Financial statements contained in reports to policyholders or stockholders or the public in this state must conform to either the filed statutory statement or the CPA audit report required by ch. Ins 50, Wis. Adm. Code.

AUDITED FINANCIAL REPORT

All insurers shall have an annual audit by an independent certified public accountant and shall file an audited statutory basis financial report as a supplement to the annual statement by June 1 for the prior year's annual statement in accordance with ch. Ins 50, Wis. Adm. Code, unless the insurer qualifies for an exception under s. Ins 50.02, Wis. Adm. Code, or has been granted an exemption under s. Ins 50.16, Wis. Adm. Code. The CPA Audit Checklist included in this packet should accompany the June 1 filing.

POLICYHOLDER DIVIDENDS

Action by the board to apportion policyholder dividends (whether as a fixed amount as of December 31 of the current year or as an amount produced by application of a formula that may be influenced by subsequent events specified in the formula) converts surplus into a binding liability of the company. The amount of this liability cannot be changed to reflect subsequent events not specified in formula. Estimates of apportioned dividends and the date to which dividends are apportioned for payment are reported at Page 3, Line 6.1. Full provision must also be made for dividends not yet apportioned. Estimates of unapportioned dividends are reported at Line 6.2.

DISCOUNTING OF LOSS RESERVES

Wisconsin insurers shall not discount loss reserves except in those instances where discounting of reserves or tabular reserves are specifically prescribed or permitted by Wisconsin Statutes, the Wisconsin Administrative Code, or specifically authorized by the Commissioner.

SURPLUS NOTES (CONTRIBUTION NOTES)

Insurers shall comply with SSAP 41 of the NAIC Accounting Practices and Procedures Manual regarding the reporting for and disclosures about surplus notes (contribution notes), including approved and unapproved interest.

RISK-BASED CAPITAL (RBC)

Wisconsin-domiciled life, health, fraternal benefit societies, and property and casualty insurers (other than monoline Financial Guaranty and Mortgage Guaranty insurers) are required to file the RBC report with the NAIC unless exempted in writing by the Commissioner. The reports are filed with the NAIC electronically, along with a hard copy. The reports are due at the NAIC annually by March 1. The materials necessary to file RBC can be obtained from NAIC Publications, P. O. Box 263, Dept. 42, Kansas City, Missouri 64193-0042.

The annual statement five-year historical data section discloses RBC items. These items must be completed by Wisconsin-domiciled life, health, fraternal, and property and casualty insurers unless exempted in writing by the Commissioner.

If you have any questions, please contact Yvonne Sherry (608) 266-0091 or yvonne.sherry@oci.state.wi.us.

Definitions:

Medical Reimbursement Plan means a contract between an insurer and an employer or other entity which:

1. Establishes an obligation by the insurer to employees or their dependents or other individuals to pay expenses they incur for health care; and
2. Obligates the employer or entity to partially or wholly reimburse the insurer based on actual claims paid.

Auto Medical payment is as defined under s. 632.32 (4) (b), Wis. Stat.

Supplemental Liability insurance is as defined under s. Ins 6.75 (2) (d), Wis. Adm. Code:

"Liability and incidental medical expense (other than automobile) insurance--insurance against liability for damages to persons or property, and incidental insurance for medical expenses when written in the same policy but not including any liability insurance defined in s. Ins 6.75, Wis. Adm. Code."

Credit Insurance is as defined in s. Ins 6.75, Wis. Adm. Code:

"Insurance in connection with specific loans or credit transactions against loss of time of debtors resulting from accident or sickness where all or a portion of the insurance is payable to the creditor to reduce or extinguish the debt."

Accident Only Insurance is insurance that provides benefits only if the insured is injured in an accident and only for accident-related expenses.

Dental, Vision, or Drug Only Policies are policies with benefits limited only to dental, vision, or drugs, and must be stand-alone policies. This does not include coverage for these services in comprehensive policies.
